To keep things cheap and cheerful, try a Subsidised Bar Tab.

Streamline your evening with a hassle-free Consumption Tab.

For a cost-effective option, go for the Cash & Carry option.

SUBSIDISE

Our point of sales system is capable of facilitating a subsidised drinks tab. This allows your guests to pay a smaller amount for their drinks by you subsidising a portion of the cost. For example if a pint of beer is \$8 you may choose to subsidise \$5, resulting in your guest paying the \$3 difference. You set the budget and we will notify you if the budget is running low to see if you wish to top it up. All beverage subsidies must be the same for all drinks selected. Please refer to our functions team for more information.

CONSUMPTION TAB

Providing total flexibility, customise your beverage selection to meet your needs and budget. During the event we will advise you if your guests are close to reaching the budget in case you wish to top it up. Please refer to our functions team for a copy of our detailed beverage list.

CASH & CARRY

Guests pay for their own beverages on a cash basis at the bar.
